

Seeking Your Support

Campialba is seeking the support of people to help us be ready to purchase the block next door. This block currently separates Campialba from Hervey Bay Gospel Chapel, one of our sponsoring churches. Purchasing this property would have the following benefits: (1) Allow us to connect the church and camp properties, (2) stop development of units closely neighbouring our cabins and (3) allow for further development when the right time comes.

For more information, visit the Development Fund page on our website.

<https://www.campialba.com.au/development-fund>

We are seeking prayer above all. We also seek donations, pledges, or interest free loans to assist with this purchase, which is expected to be an option in the next 24 months.
