

# Info For Bus Drivers

## Smaller Busses

Smaller busses can easily access our site and park onsite.

You can approach Campialba from either direction and do a 3-point turn onsite in the parking/driveway area. See area highlighted below.

NOTE: Please do NOT do a u-turn on the gassy sports field.

**Opening the Gate:** Campialba will provide you with a code to operate the front gate during your stay. This will be provided to the camp organiser. We can also provide you with a remote control to make opening and closing the gate simple during your stay.

## Larger Busses

Larger busses can easily access our site and park onsite.

1. Approach Campialba from the North (Southbound) on Hunter Street. See map below.
2. Nose into the commercial premises driveway over the road from us (on the right) and reverse back up our driveway (on the left).

NOTE: Please do NOT do a u-turn on the gassy sports field.

**Opening the Gate:** Campialba will provide you with a code to operate the front gate during your stay. This will be provided to the camp organiser. We can also provide you with a remote control to make opening and closing the gate simple during your stay.
